Master Enrique Deacon  
President Peruvian TKD Federation

Dear Master Enrique Deacon

It was truly an honor to meet you at the II Official Taekwon-Do Hall of Fame Ceremony held on Friday April 10<sup>th</sup>, 2009 in Teaneck, New Jersey U.S.A.

It is the attendance of you and your delegation from Peru which has made the ceremony one of the most historic in the history of Taekwon-Do. By doing so you put aside any notion of the differences in style and organizational ideology that exists which tend to separate Taekwon-Do practitioners and leaders.

You met with other leaders and masters from various lands and organizations not only to receive personal recognition, but more importantly to exchange ideas and experiences in an effort to advance our common goal which is the preservation of Taekwon-Do.

In closing, I welcome you as a Member of the Taekwon-Do Hall of Fame and look forward to meeting you again in the near future.

*"Together For Taekwon-Do!"*

Sincerely yours

Gerard Robbins, Founder  
Official Taekwon-Do Hall of Fame
